HOW NOT TO GET SUED FOR 50K
TIPS FOR BUSINESS OWNERS BIG AND SMALL

ALL LINKS TO HELPFUL RESOURCES BELOW ARE CLICKABLE!

WEBSITE COPY

To prevent yourself from getting in touble legally, we recommend either buying content, hiring a copywriter or purchasing software that can help you to become a better writer.

TOOLS THAT CAN HELP

- FIVERR - Hire A Copywriter
- NICHESSS- AI Writing Software
- FRASE - AI Writing / SEO Software
- SPIN REWRITER - Rewrite Content You Like From Other Websites
- GRAMMARLY - Spellcheck and Plagiarism Check In One!

WEBSITE GRAPHICS

Never download images from the internet and use them as your own. This could get you in violation of copyright infringement, get you fined or get you sued. We recommend making your own graphics and buying affordable stock graphics.

TOOLS THAT CAN HELP

- DEPOSITPHOTOS - Buy an imagepack to save on stock photos
- CANVA - Become An Instant Designer
- SHUTTERSTOCK - Top Quality Stock Photos
- PEXELS - Beautiful Free Stock Photos
- UNSPLASH - More Free Stock Photos

WEBSITE ACCESSIBILITY

Businesses large and small are getting sued (some multiple times) for not having a more accessible website. Why not protect your profits by becoming compliant!

TOOLS THAT CAN HELP

- ADA COMPLIANCE WIDGET - Add this one tool to your site for immediate compliance
- DIY WEBSITE ACCESSIBILTY INFO - Learn The Steps To DIY Your Compliance
